

THE GREAT EASTERN SHIPPING COMPANY LIMITED

GE Shipping Sold a Mini Bulk Carrier

April 05, 2004 - Mumbai

GE Shipping sold the 1998 built, 2137 dwt mini bulk carrier 'GE 4'. Over the years, the company has acquired assets with higher earnings' potential and hence the mini bulk carrier was not fitting the fleet profile.

After this sale, the company's current fleet comprises 37 ships (29 tankers and 8 dry bulk carriers) and 31 Offshore vessels.
