GE Shipping sells two OSVs

October 12, 2004 - Mumbai

To meet the industry requirements, GE Shipping is rejuvenating its offshore fleet profile and has sold two Offshore Supply Vessels - Malaviya Eleven and Malaviya Fourteen. Both the vessels were built at Greenbay Marine Pte Limited, Singapore in 1989.

The offshore division's fleet now stands at 30 vessels with the company's total fleet size at 70 vessels. The company also has 13 new building vessels on order.
